## Warwick to appear at benefit

Barton G. Weiss, events planner and owner of Barton G. restaurant, is not only hosting a sit-down dinner for 700-plus guests Saturday night, he's flying in Dionne Warwick for a special concert performance.

The invite-only bash is launching the Barton G. Kids Hear Now Foundation, which will help hearing-impaired children. Weiss' daughter Jadin, 17 months, was born profoundly deaf. She now has cochlear implants.

The dinner-dance is at The Palm Court in the Miami Design District. Proceeds will benefit the foundation and The Buoniconti Fund to Cure Paralysis.
